

The EU TalentOn 2022 is an initiative by Leiden2022 and the European Commission

THE FIRST EVER EU TALENTON IS NOW OPEN FOR ENTRIES!

APPLY BEFORE
JULY 1st

In September 2022 the first ever EU TalentOn will take place in Leiden. More than 100 bright minds from all over Europe will be selected for this academic adventure of a lifetime. A melting pot of powerful brains in a multi-day challenge to shape the future.

THE 5 MISSION ARENAS

- 01** Adaptation to Climate Change
- 02** Cancer
- 03** Climate-neutral & Smart Cities
- 04** Restore our Oceans & Waters
- 05** Soil deal for Europe

FOR WHOM?

- Highly motivated & ambitious young people from all over Europe
- 21 – 35 year olds
- Early career researchers: Master's students, PhD's and Post-docs

WHAT'S IN IT FOR YOU?

- Work on solutions for a better world, together with other bright driven minds
- Team up, work and network with participants from all over Europe
- Big prizes to be won: at least € 50.000 distributed over several prizes
- We've got you covered: travel, stay and meals are paid for

THE PROGRAM // SEPTEMBER 14 - 18, 2022

- Day 1** Arrival, meet your team and buddy
- Day 2** Kick-off and pressure cooker program part 1
- Day 3** Pressure cooker program part 2 and Public Pitches
- Day 4** Pitching to the Grand Jury, followed by the Award Ceremony and After Party
- Day 5** Departure, or stay longer for the thrilling ArtScienceWeek
